# Feiyu pocket

Firmware Upgrade

You can upgrade firmware online or via microSD card, it is recommended to upgrade online.

Upgrade via microSD card

(1) Visit https://www.feiyu-tech.com/feiyu-pocket/，and download corresponding firmware to microSD card.

 ※Note: Please do not rename firmware name.

(2) After insert microSD card in Feiyu pocket, long press power button to turn on camera and wait for upgrade. And Feiyu pocket's screen will show "upgrading".

 ※An UHS-Ⅰ Speed Grade 3 (U3) rating microSD card (equipped by user) is required.

 ※A formal microSD card from well-known brands (like Samsung, Sandisk, Kingston, etc.) is recommended.

(3) After upgrade successed, camera would auto turn off, please long press power button to restart.

Upgrade online

(1) Turn on Feiyu Cam App, after connecting Feiyu Pocket, tap [**Mine**]option, and tap···, choose "Upgrade Feiyu Pocket".

 ※Please insert microSD card, and connect to mobile network before upgrading.

(2) Wait for upgrade, and Feiyu pocket's screen will show "upgrading".

(3) After upgrade successed, camera would auto turn off, please long press power button to restart.
